

INTERNATIONAL E-SEMINAR

ON

“CONNECTING EDUCATIONAL ACCESS AND ECONOMIC GROWTH: STRATEGIES FOR DEVELOPING COUNTRIES”

(CEAEGSDC-25)

Date:- 8th June 2025

10:00 A.M.

ORGANIZED BY

Saket Girls P.G. College

(Approved by Govt. of Uttar Pradesh, Affiliated to Prof. Rajendra Singh Rajju Bhaiyya University, Prayagraj)
Dahilamau, Pratapgarh, Uttar Pradesh

IN HYBRID MODE

“CONNECTING EDUCATIONAL ACCESS AND ECONOMIC GROWTH: STRATEGIES FOR DEVELOPING COUNTRIES”

"Connecting Educational Access and Economic Growth: Strategies for Developing Countries"

Dear Colleagues,

It gives us immense pleasure to invite and welcome you to participate in **International e-Seminar on "Connecting Educational Access and Economic Growth: Strategies for Developing Countries"** organized by Saket Girls P.G. College, Dahilamau, Pratapgarh, Uttar Pradesh (Approved by Govt. of Uttar Pradesh and Affiliated to Prof. Rajendra Singh Rajju Bhaiyya University, Prayagraj) and your esteemed participation is cordially solicited.

Introduction

In an era characterized by rapid technological advancements and the increasing complexity of global challenges, the need for innovative solutions transcends traditional disciplinary boundaries. International e-Seminar on "Connecting Educational Access and Economic Growth: Strategies for Developing Countries" serves as a pivotal platform for scholars, industry leaders, and practitioners to converge and collaborate on groundbreaking research that fosters inclusivity, creativity, and constructive dialogue.

This seminar aims to explore the intersections of various disciplines—ranging from science and technology to social sciences and humanities—highlighting the importance of a multidisciplinary approach in addressing pressing global issues such as climate change, healthcare, sustainable development, and social equity. By uniting diverse perspectives, we will delve into how collaborative research can spur societal progress and drive transformative change in our interconnected world.

The event will feature keynote addresses from renowned experts, thought-provoking panel discussions, and interactive workshops, providing attendees with valuable insights and fostering an environment of knowledge exchange. Participants will have the opportunity to present their research, engage in rich discussions, and network with like-minded individuals who share a passion for innovative solutions and academic excellence.

As we embark on this journey of intellectual exploration, we invite you to contribute your unique insights and expertise, and to be a part of this vibrant dialogue that seeks to illuminate the path toward a more innovative and resilient global society. Together, let us forge new partnerships and inspire a future grounded in collaborative academic research and global innovation. Welcome to the International e-Seminar on "Connecting Educational Access and Economic Growth: Strategies for Developing Countries"!

Objectives of the International e-Seminar on "Connecting Educational Access and Economic Growth: Strategies for Developing Countries"

- **Facilitate Knowledge Exchange:** Create a platform for scholars, researchers, and practitioners from diverse fields to share their findings, methodologies, and insights, fostering an environment of collaborative learning and innovation.
- **Promote Interdisciplinary Collaboration:** Encourage partnerships and collaborative projects among participants from various disciplines to address complex global challenges and drive innovative solutions.
- **Showcase Cutting-Edge Research:** Highlight recent advancements in multidisciplinary research and technology, providing participants with the opportunity to explore novel ideas and methodologies.
- **Discuss Global Challenges:** Engage in discussions on pressing global issues such as climate change, public health, sustainable development, and social equity, emphasizing the role of multidisciplinary approaches in addressing these challenges.
- **Encourage Innovative Thinking:** Inspire participants to think creatively and develop innovative

"CONNECTING EDUCATIONAL ACCESS AND ECONOMIC GROWTH: STRATEGIES FOR DEVELOPING COUNTRIES"

"Connecting Educational Access and Economic Growth: Strategies for Developing Countries"

approaches that transcend traditional disciplinary boundaries, fostering a culture of experimentation and exploration.

- **Strengthen Academic Networks:** Build and reinforce networks among researchers, institutions, and industries involved in multidisciplinary research and innovation, promoting future collaborations and partnerships.
- **Enhance Research Methodologies:** Provide workshops and sessions focused on advanced research methodologies and tools that can be applied across different disciplines, increasing the quality and impact of academic research.
- **Foster Young Researchers:** Support the professional development of early-career researchers and students by providing mentorship opportunities, encouraging their participation in discussions, and enabling them to present their work.
- **Explore Funding and Support Opportunities:** Inform participants about potential funding sources and support mechanisms available for multidisciplinary research projects, helping to secure resources for future initiatives.
- **Develop Policy Recommendations:** Conclude the seminar with actionable recommendations for policymakers and academic leaders to support multidisciplinary research and promote innovation on a global scale.

By achieving these objectives, the seminar aims to drive forward the conversation on the importance of Research for Sustainable Future - Multidisciplinary Approaches and Leveraging Education as a Tool for Socioeconomic Advancement ultimately contributing to a more interconnected and sustainable future.

Key Aspects of Employment Generation in Rural India:

- **Agricultural Sector:** Agriculture remains the primary source of livelihood for a majority of the rural population. Enhancing agricultural productivity through modern techniques, access to credit, and irrigation facilities can significantly increase employment opportunities.
- **Rural Development Schemes:** The Indian government has implemented various schemes, such as the Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA), which provides at least 100 days of unskilled wage employment in a financial year to every rural household. This has been instrumental in providing a safety net and boosting rural employment.
- **Skill Development Programs:** Initiatives aimed at skill development and vocational training have been established to help rural youth acquire skills relevant to local and emerging job markets, including sectors like construction, handicrafts, and services.
- **Microfinance and Self-Help Groups (SHGs):** The promotion of SHGs and access to microfinance have empowered rural women and marginalized communities to start small businesses, facilitating entrepreneurship and self-employment.
- **Rural Industries and Crafts:** Encouraging traditional crafts, localized industries, and processing units can create jobs while preserving cultural heritage. Policymakers promote initiatives to enhance market access for rural products.
- **Infrastructure Development:** Investment in rural infrastructure, such as roads, electricity, and internet connectivity, plays a vital role in creating an enabling environment for businesses to thrive and generate employment.
- **Diversification:** Moving away from agriculture and diversifying into other sectors such as tourism, renewable energy, and information technology can help mitigate seasonal unemployment and provide sustainable job opportunities.

Challenges:

Despite the initiatives, challenges remain, including seasonal dependency, underemployment, lack of access

"Connecting Educational Access and Economic Growth: Strategies for Developing Countries"

to markets, and inadequate infrastructure. Addressing these challenges requires coordinated efforts between government, private sector, and civil society to ensure sustainable rural employment generation. Thus, Employment generation in rural India is multifaceted and requires a comprehensive approach that combines agricultural development, skill enhancement, infrastructure investment, and entrepreneurial support to achieve significant and lasting impacts on rural livelihoods.

ABOUT Saket Girls P.G. College, Dahilamau, Pratapgarh, Uttar Pradesh (Approved by Govt.of Uttar Pradesh, Affiliated to Prof. Rajendra Singh Rajju Bhaiyya University, Prayagraj)

This college was established as a Girls' High School on October 30, 1996, initiated by the then Divisional Commissioner of Allahabad Division, Mr. Deshdeepak Verma, IAS, through the foundation stone laying and his inspiration. The school, which was born as a Girls' High School, became an esteemed intermediate college in the city within just two years, offering various subjects in Humanities and Science streams. To fulfill the city's demands and aspirations, in 2005, the Honorable Governor authorized teaching in seven subjects (Hindi, Sanskrit, English, ancient History, History, Socio Sociology, Education, Political Science), and the B.A. curriculum was affiliated by Dr. Ram Manohar Lohia Avadh University, Faizabad. In July 2009, the National Council for Teacher Education, North Central Region, Jaipur, granted permission for the B.Ed. program. In 2011, teaching authorization was extended to three additional subjects (Geography, Music Vocal, Home Science), and in 2013, two more subjects (Urdu, Physical Education) were added, also through affiliation by Dr. Ram Manohar Lohia Avadh University, Faizabad. From July 1, 2013, postgraduate studies in Sociology and Education were started, and from May 30, 2019, postgraduate courses in Hindi, Geography, Home Science, Urdu, education, sociology and Ancient History were also affiliated. Currently, this college is affiliated with Prof. Rajendra Singh (Rajju Bhayya) University, Prayagraj. The rapid growth from a school to a postgraduate college was not accidental but a result of firm determination and positive vision shared by the then Dean of the Faculty of Education at Allahabad University, Dr. Ram Shakal Pandey, and the Dean of the Faculty of Education at Dr. Ram Manohar Lohia Avadh University, Faizabad, Dr. S.P. Tripathi. "Saket" is not just a name; it is a movement. College is NAAC accredited in 2023 in Cycle -2 for PG College

As per the philosophy of saket-

S- stand for shrine,

A- stands of ability

K- Stands for knowledge

E- Stands for education

And T- Stands for truth

Motto of the college is" हम भी रोज उदय हो सूर्य की तरह दूसरों की सेवा में"

Organizing Committee

Patron : Sri Arvind Srivastava founder Saket Group of Colleges, Dahilamau, Pratapgarh, Uttar Pradesh

Patron : Sri Prem Chandra Srivastava, President, Saket Girls P.G. College Dahilamau, Pratapgarh (Uttar Pradesh)

- Convener of the Seminar: Dr. Nilima Srivastava, Principal Saket Girls P.G. College Dahilamau, Pratapgarh (Uttar Pradesh)
- Seminar Organizer: Dr. Neeraj Sharma, Associate Professor, Department of Management, Singhania University, Rajasthan
- Co-Ordinator : Dr. Awadhesh Kumar Sharma, Head of Department, B.Ed. Department, Saket Girls PG College, Dhilaamau, Pratapgarh.

- Dr. Preeti Mishra, Assistant Professor, Raja Balwant Singh Engineering Technical Campus, Bichpuri, Agra
- Dr. Sanjeev Srivastav, Principal Jagpat Singh Singror PG College , Begum Bazar, Bamrauli, Prayagraj, Uttar Pradesh

TARGET AUDIENCE: Academicians, Research Scholars, Students, Social Scientists, Environmentalists.

THEMES

- **Environment, Ecology, and Sustainable Development**
- Environmental Science and Management

- Climate Change and Global Warming
- Conservation Biology
- Sustainable Development Goals (SDGs)

"CONNECTING EDUCATIONAL ACCESS AND ECONOMIC GROWTH: STRATEGIES FOR DEVELOPING COUNTRIES"

"Connecting Educational Access and Economic Growth: Strategies for Developing Countries"

- Ecological Sociology and Economics
- **Socio-Cultural Dynamics and Human Development**
- Sociology, Anthropology, and Cultural Studies
- Human Rights, Gender Studies, and Social Justice
- Population Studies and Demography
- Urbanization and Community Development
- **Science, Technology, and Innovation**
- Science and Technology in Society
- Information and Communication Technology (ICT)
- Biotechnology and Nanotechnology
- Data Science, Big Data, and AI
- Scientific Research Methodology
- **Economics, Business, and Management**
- Microeconomics and Macroeconomics
- Business Administration and Marketing
- Public Policy and Governance
- Financial Systems and Banking
- Entrepreneurship and Innovation
- **Education, Pedagogy, and Human Development**
- Educational Psychology
- Curriculum Design and Learning Theories
- Educational Technology
- Inclusive Education and Special Needs
- **Languages, Literature, and Communication**
- Literary Theories and Criticism
- Linguistics and Semantics
- Journalism and Media Studies
- Communication Skills and Digital Media
- **History, Politics, and International Relations**
- Political Theory and Ideologies
- Indian History and World History
- International Organizations and Diplomacy
- Public Administration
- **Philosophy, Ethics, and Religious Studies**
- Classical and Contemporary Philosophy
- Ethics and Moral Philosophy
- Comparative Religion and Spiritual Traditions
- **Mathematics, Statistics, and Quantitative Methods**
- Pure and Applied Mathematics
- Statistical Methods and Data Analysis
- Operations Research
- Computational Mathematics
- **Arts, Visual and Performing Arts**
- Art History and Appreciation
- Music, Dance, and Theatre Studies
- Folk and Traditional Arts
- **Legal Studies and Polity**
- Indian Constitution and Political System
- International Law
- Human Rights and Public Policy
- **Health and Allied Sciences**
- Public Health
- Nutrition
- Medical Sciences Overview

Presented papers will be published in peer reviewed Journal and Edited Book with ISBN number. Candidates can opt any one of them.

IMPORTANT INFORMATION

Date of Seminar	: 8th June 2025
Abstract Submission last date	: 7th June 2025
Word Limit for paper	: 2500-3000 Words
Page Limit	: 5-10 pages
Email for submitting research papers	: heseminar@gmail.com
Fee for Paper Presentation with Certificate	: 1000 Rs.
Fee for paper presentation in absentia	: 1000 Rs.
Fee for presentation with paper publication	: 2000 Rs
Fee for presentation with paper publication in absentia	: 2000 Rs

- **Those who do not have article for presentation, can request for making their paper for presentation for a nominal Charge. You can give your topic and your paper will be made within a day time.**

ABOUT PAPER PRESENTATION AND PUBLICATION:

Authors are invited to submit original papers (not being considered for publication elsewhere) in standard format describing new theoretical and/or experimental research. Kindly submit your research article/manuscript in .DOC/.DOCX file format to us by mail in English, Hindi, and any other Language. at heseminar@gmail.com. Our review team will evaluate the submitted research paper and give notification of research paper Acceptance or rejection. This initial review will be for paper presentation. Only after you receive our E-mail about Acceptance of Paper, you are required to make the necessary payment. Full paper should be typed in Microsoft Word. The font should be "Times New Roman" with "12" size for matter, 16 size in bold for title, 14 size in bold for main headings & 12 size in bold for sub-headings, having line spacing of 1.5 inch and 1 inch custom margin on all sides & A-4 Size Paper.

Guidelines for Research Paper

1. Title of the paper with Author's details
2. Abstract
3. Introduction
4. Objectives
5. Statement of Problem
6. Hypothesis
7. Research Methodology
8. Analysis
9. Conclusion
10. Recommendation
11. References
